

THE FILM STUDIO[®] SDX[™] SMART FILM

DIMMER CONTROLLER WIRING

BASIC WALL SWITCH WIRING

FLEX DIMMER ONLY / GAU3-D-1

7-pin and 2-pin connector specification (included with controller)
 MSTB 2.5 HC/2-STF-5.08 2 pin manufacturer: Phoenix contact
 MSTB 2.5 HC/7-STF-5.08 7 pin manufacturer: Phoenix contact

Never connect high voltage (110/220 VAC) to the dry contact interface, as this will cause irreversible damage to the controller.

Decorative Films does not guarantee products that are not wired according to these guidelines.
