SDX™ SMART FILM

ON/OFF CONTROLLER WIRING

TN 0187: Basic Wall Switch Wiring Diagram

FLEX ON/OFF ONLY

7-pin and 2-pin connector specification (included with controller)
 MSTB 2.5 HC/2-STF-5.08 2 pin manufacturer: Phoenix contact
 MSTB 2.5 HC/7-STF-5.08 7 pin manufacturer: Phoenix contact

Never connect high voltage (110/220 VAC) to the dry contact interface, as this will cause irreversible damage to the controller.
